## Making a difference in Warren County, one cat at a time

### Welcome to *The Scratching Post!*

Once a month, we'll drop by your inbox to share our latest news, introduce you to just a few of our precious adoptables and share helpful TNR hints so that YOU can make a difference, right where you are.

### With a little luck, we'll be adopted by St. Patrick's Day!

**Hazel Panzy**

"One of the sweetest girls I've ever met!" says Hazel's foster person. Left alone when her human passed away, she has so much love to give!

**Trixie**

This tigress appreciates belly rubs and being scratched behind the ears. In return, she's an "overall joy to be around," according to Whiskers volunteers. If you're looking for an affectionate, playful kitty, Trixie's your girl!

**Johnny**

Johnny was an outdoor boy until his caretaker noticed that he needed more TLC. Now he's mastering the fine art of affection and play! Will you be the one to give Johnny the forever home he deserves?

*If you build it, cats will come ...* and donors and volunteers, we hope!

The exterior of our new holding facility was completed in February. Once the interior is done, it will give our cats a safe place to wait for and recover after surgery, and for the Whiskers team to do cat intakes (instead of in Corissa's kitchen!).

We would be so grateful for any financial donations for the interior, or contractors willing to work at cost. Please use the contact info below to donate or reach out. Whiskers is a 501(c)(3) non-profit charity.
